A lot can happen in 10 years, and Gwen and Craig have been there for each other through it all, from meeting on the playground to juggling college finals. But their long-standing friendship hasn't been without its challenges.

Gwen keeps her emotions locked down tight, and when someone hurts her, she shuts down and shuts them out. Craig has always been her hero, but when one night leaves her broken, she realizes he has the power to hurt her the most.

Unable to get past Gwen's emotional barriers, Craig focuses on baseball and reaching for his dreams, but he misses his best friend. He wonders if he'll ever have the same relationship he did with the girl he met ten years ago.

When the barriers finally come down and their true feelings are revealed, will they finally become the couple everyone says they're destined to be, or will the darkness from Gwen's tear them apart forever?
