

# Télécharger Livres Gratuit 100% Jung (PDF | ePub | Mobi) Viviane Thibaudier download-free

Encore mal connu en France, Carl Gustav Jung demeure l'un des grands penseurs du XXe siècle, fondateur avec Sigmund Freud du mouvement psychanalytique et génial théoricien de l'âme humaine.

L'important pour Jung n'est pas ce que nous avons pu refouler de nos désirs mais ce qui n'est pas encore né en nous. Ce n'est donc pas la remémoration du passé qui prime, mais le "devenir" de celui ou de celle qui sommeille en chacun de nous. Pour le rencontrer, il nous faut accepter de plonger en nous-mêmes, dans les strates profondes de notre inconscient.

Cet ouvrage nous convie au voyage dans la "psychologie des profondeurs" jungienne. Nous y découvrirons comment un dialogue fertile avec l'inconscient peut transformer notre regard sur la vie et lui apporter le sens qui nous manque.
