L'agent Léa Bacal n'est plus la même depuis sa confrontation avec Skull, l'originel. Elle apprend tant bien que mal à vivre sa nouvelle condition auprès de Hunter, son compagnon hybride. Mais la tranquillité ne dure pas : un lycanthrope sème la terreur dans la région. Il tue des jeunes femmes dont le seul point commun - et malchance - est leur ressemblance physique. Non content de les massacrer, le monstre marque leur front de lettres ou de chiffres. Quel message morbide veut-il laisser derrière ces signes sanglants ?
