16 lições práticas para o sucesso, um clássico atemporal agora em edição com nova capa

Financiado pelo Magnata do Aço, Andrew Carnegie, o jovem jornalista de 25 anos Napoleon Hill começou em 1908 a entrevistar homens de sucesso e a investigar suas carreiras. Tudo isso para detectar o que havia de especial neles e descobrir se existe o gene do sucesso. Ou talvez, uma lei que permita identificar em cada indivíduo o potencial para vencer na vida.

Em duas décadas, ouviu mais de 16 mil pessoas, entre elas os 500 milionários mais importantes da época. Pesquisou a vida de grandes inventores e pioneiros, como Thomas Edison, Graham Bell, Henry Ford, Roosevelt, George Eastman e Rockefeller. O resultado foi A lei do triunfo: 16 lições práticas para o sucesso, que ensinou, pela primeira vez na história do mundo, o verdadeiro segredo para o sucesso pessoal.
