Voici un roman qui nous offre des informations sur la relation qui existe à travers les deux plans de la vie dans les activités de l'Esprit. Renouvelant son intérêt pour notre perfectionnement intérieur, André Luiz révèle l'émouvante histoire d'Amaro, de Zulmira, d'Odila et d'autres personnages, en remontant dans les faits de leurs existences antérieures, depuis la Guerre du Paraguay jusqu'aux jours du Rio d'autrefois.

Dans sa préface, Emmanuel nous assure que « les situations fondamentales de la narration nous sont intimement familières », comme les désajustements familiaux, la tourmente de la jalousie, les luttes quotidiennes pour l'acquisition du progrès moral. Chaque page d'Entre la « Terre et le Ciel » révèle au lecteur de nouvelles connaissances et de nouvelles émotions.
