En intégrant l'équipe de chirurgie de la clinique Hollywood Hills après deux ans passés en Afghanistan, Abigail ne cherchait qu'une chose : se sentir en sécurité et en confiance. Certainement pas tomber amoureuse ! Manque de chance, Damien Moore, son supérieur direct, la fascine tant il est froid, distant - et incroyablement beau. Travailler avec lui va être un véritable enfer... Sauf qu'un jour Damien lui demande un service, et son attitude envers elle change soudain du tout au tout. Abigail aurait-elle gagné son estime, voire - à en croire certains signes - son amour ?
