What to get for the girl who has everything? An unattainable rake.

Bored, beautiful and determined to ruin herself, Lady Lucy Flynn is used to getting everything she wants. But for the first time, the one thing she wants above all else is the love of a man: Lord Dean Warren, Earl of Winchester. Unfortunately, the scurrilous earl refuses to see her as anything more than a pampered, privileged, innocent girl. But Lucy is not one to give up so easily.

A jaded rake, Dean enjoys travel and taking his pleasure where he may, determined never to return to Society's constricting realm. Though tempting, a lady like Lucy does not belong amidst his sordid circle of paramours. A harsh lesson in love from his earlier years convinces Dean he must push Lucy away and prove to her that he's the wrong man for her in every way.

But the closer he gets—and the harder he tries to push—the deeper he falls under her spell.
