O amor que ela deseja, a confiança de que você precisa

Após superar a marca de 10 milhões de cópias vendidas em todo o mundo, quase 1 milhão delas apenas no Brasil, muitas pessoas se questionam sobre o porquê do sucesso de As 5 linguagens do amor.

Qualquer tentativa de resposta não poderá deixar de mencionar três características essenciais desse best-seller: simples, prático e eficaz. E, agora, numa versão desenvolvida exclusivamente para homens!

Nesta edição especial, Gary Chapman adicionou bom humor e ilustrações, e ampliou o conteúdo ao abordar dois temas essenciais: como lidar com a raiva e a arte de pedir perdão. Além disso, ele disponibiliza dois questionários, para que você e sua esposa descubram a linguagem do amor um do outro.

Resumindo: trata-se de um guia completo para aperfeiçoar o relacionamento com a mulher de sua vida.
