Originally published in 1967 as The A.A. Way of Life, this book contains material that reflects cofounder Bill W.'s personal viewpoint and experience. From his Foreword: "This volume includes several hundred excerpts from our literature, touching nearly every aspect of A.A.'s way of life. It is felt that this material may become an aid to individual meditation and as a stimulant to group discussion, and may well lead to a still wider reading of all our literature. Over the past twenty-five years, it has been my privilege to write these books about A.A.: the text of Alcoholics Anonymous, Twelve Steps and Twelve Traditions, Alcoholics Anonymous Comes of Age, and Twelve Concepts for World Service, the last as part of our 'Third Legacy Manual.' [Retitled The A.A. Service Manual] Many pieces have been written for our monthly magazine, the A.A. Grapevine, and I have always carried on a large personal correspondence."
