This book continues the spiritual lessons by Ascended Master Godfre that he started in Path to the Light: A Spiritual Journey with Ascended Master Godfre Ray King. He says to us: "So our work continues always and forever. It is all about individual growth and helping individuals at many different levels of awareness."

In this book he goes more in depth into the meaning of life in both human and spirit form. He talks truthfully about reality and the puzzle of life. With his chosen role of teacher, he continues to help us awaken to who we really are.

These lessons were channeled by Dianna Gutoski.
