**A sexy, swoony rom-com about what happens when the one that got away comes back. At the worst possible moment.**

## **ANDRE**

I'm *that* guy. The one women want and other men want *to be*. Arrogant? Maybe.

Accurate? Abso-F'ing-lutely.

So when my brother dares me to hit on women as a regular guy, I'm up for the challenge. It turns out quite a few ladies like ripped jeans just as much as haute couture. Except for one. Casey. Nothing I do impresses this girl which only makes me want her more. For the first time, I'm smitten.

Until she ditches me after a night of intense passion.

## **CASEY**

If it's possible to screw up a good thing, I'm the girl who'll figure out how. So when I get a new job, I celebrate with one last night of fun before focusing on climbing the corporate

ladder.

Until my night of fun walks into the office and I discover who he really is. My firm's biggest client and my new nightmare.

Egotistical, entitled and infuriating, Andre Lavin is not making it easy for me to ignore him. In a battle of wills, we'll see who can hold out the longest.

And who is still standing at the end.

*An inappropriate office romance that will have you clutching your pearls and laughing until you cry! ASK ME is a standalone romantic comedy but features crossover characters from the USA TODAY bestselling book BEG ME.*
