100 women bravely share un-airbrushed photographs of their breasts alongside honest, courageous, powerful and humorous stories about their breasts and their lives. Women from all walks of life took part, aged from 19 to 101, sized AAA to K, from Buddhist nun to burlesque dancer. Their perspectives and experiences are revealing and profoundly moving. Intimate, visually refreshing, maybe even surprising, *Bare Reality* will make you reconsider how you think and feel about your own body, and those of the women in your life.
