

Télécharger Livres Gratuit Be My Baby (PDF | ePub | Mobi) Ronnie Spector DataBase Book

Rock icon Ronnie Spector reveals the story of her dreamlike rise from the streets of Harlem to the pinnacle of rock stardom as lead singer of the Ronettes, and her nightmare descent into madness as the wife of Phil Spector, the pop hitmaker who kept her a virtual prisoner behind the locked doors of his darkened Beverly Hills mansion. Ronnie's escape from that ordeal, and her subsequent struggle to reclaim her voice, her career, and her sanity, provide an emotion-packed climax to this smart, funny, and inspiring autobiography, named one of "The Top 25 Rock Memoirs of All Time" by *Rolling Stone*.

Now available for the first time as an eBook, this completely redesigned and corrected edition features 75 stunning color and black and white photographs from the singer's personal collection—many appearing in print for the first time—as well as a completely revised and updated discography that offers the most comprehensive survey of Ronnie's recording career ever published.
