One of the most popular and enduring campaigns of World War II is that of the Western Desert, where Allied armies beat back the hard-pressed German and Italian forces under the gruelling African sun. Covering crucial operations such as *Crusader*, *Lightfoot*, and *Supercharge*, and the great battles of Tobruk, El Alamein, and Gazala, this book brings the unforgiving battlefields of North Africa to the tabletop. In-depth information on the forces involved, linked scenarios, and new Theatre Selectors make this an ideal resource for any *Bolt Action* player with an interest in the Desert War.
