Loyalty.
Respect.
Wit.
Aggression.
Heart.

Each word describes the Slater brothers and how they were moulded into the men they are today ... but what did it take to get them where they are?

Pain.
Disregard.
Fear.
Anger.
Love.

Peeling back each layer to find the brothers' core means looking at their past to see how they got their future. From overcoming family feuds and breaking a warlord's hold on

them to moving to another country and finding women who make their world spin.

The Slater brothers idolise their women, and what the Slater brothers idolise, the Slater brothers guard.
