There's a very fine line between blushing bride **and mascara-streaked sobbing mess. #beenthere**

Lilly Swanson has been planning her perfect life since she was twelve years old: Meet Mr. Right, have the big white wedding, buy a house in the burbs, and raise 2.5 picture-perfect kids. However, when her fiancé bails, leaving Lilly alone at the altar to face five hundred gossipy guests, her dream turns into a nightmare. But then Lilly makes an impulsive decision---she ditches the dress, grabs her passport, and heads off to spend her honeymoon alone.

Or so she thinks . . .

Because Lilly quickly learns that everything in the tropics is very hot: the weather, the merchandise, and especially Damien---the sexy, spontaneous man she meets before her feet even hit the sand. Now with no plan, and nothing holding her back, Lilly lets Damien lead her on a wild, unpredictable ride to the world's most exclusive party, Burning Moon. But

after a week of letting go, indulging her every impulse and desire, Lilly must go back to the girl she used to be. Or can Damien convince her that their party doesn't have to end?
