Calmer, Easier, Happier Parenting is a revolutionary programme that gives you simple steps to take the daily battles out of parenting. These strategies resolve one of parents' biggest frustrations: getting your children to listen and do what you ask, the first time you ask.

When you use these strategies, not only will your children become more cooperative, but also more confident, self-reliant, and considerate. This ebook contains the first and most powerful strategy - Descriptive Praise. When you start using the technique you will notice an almost immediate change in your child's behaviour and combined with the other skills you can transform your relationship with your children and bring the joy back into family life.
