'Prepare to laugh' - Reese Witherspoon

253 steps to becoming an anti-it girl.

Funny woman, Instagram star and international comedy sensation, Celeste Barber's Challenge Accepted! is a raucous, hilarious and outspoken guide to life, unwanted gas and how to rock a sexy scar.

Part-memoir, part-comedy routine, part-advice manual, Challenge Accepted! is Celeste at her best, revealing her secrets to love, friendship, family and marriage (oh hai, #hothusband), and how to deal with life's many challenges - why she checks the bath for sharks, how Nutella quite literally shaped who she is as a woman, and why being famous on Instagram is like being rich in Monopoly. It's real, like totally, really real.

Reviews

'Prepare to laugh when reading this memoir. Just when Celeste has you in stitches, she hits you right in the heart.' -Reese Witherspoon

## About the author

Celeste (actor, writer, comedian) has put all the words she has ever learnt into this book, yet her publishers still want an author bio (exhausted face emoji). I wrote a whole book on who I am and you can basically see my whole life on Instagram! What more do you people want from me?! As a starting point, Celeste is happily married (sorry fellas), a mum to two cute and full-on boys, an evil stepmum to two teenaged girls, and is more of a dog person - she never really understood the whole cat thing.
