***He gets under my skin like no one else.***

Landen is successful, wickedly intelligent, and handsome. And he knows it. The man is arrogance personified.

I admire his brains, almost as much as I admire his body. Too bad he's such a jerk. I've had enough of men like him and I'll do whatever it takes to keep my distance.

***Then he kissed me...***

Now, we can't keep our hands off each other and I'm discovering there is so much more to Landen Weber. I'm falling for him, hard and fast. But he hasn't told me the truth about his past, and lies by omission are still lies.

I know how this will end, and I won't let him break my heart, even if it means walking away. But Landen has something else in mind and he's not going to give up.

***Even if he has to chase me every step of the way.***
