Un nouveau type d'entreprises, audacieuses et innovantes,   merge : les entreprises sociales   cologiques. Elles inventent de nouveaux mod  les   conomiques, et mettent en place une nouvelle gouvernance adapt  e    leurs objectifs : faire mieux avec moins et pr  server le capital   conomique, naturel et social.

Jean-Marc Borello et H  l  ne Le Teno nous emm  nent    la d  couverte de ces entreprises qui non seulement proposent des r  ponses « vertes » aux besoins essentiels de tout un chacun - se nourrir, se loger, se d  placer,   conomiser les ressources, financer les activit  s - mais qui mettent aussi leur efficacit     conomique au service de l'int  r  t g  n  ral.

En s'appuyant sur les petites mais passionnantes histoires de ces nouveaux acteurs   conomiques, Jean-Marc Borello et H  l  ne Le Teno contribuent    rendre contagieuses leurs initiatives afin de r  ussir le d  fi du XXIe si  cle : garantir la sauvegarde de la plan  te et l'acc  s de tous    une soci  t   du bien-vivre.
