S'il y a bien une chose que Frédérique Bocu déteste, ce sont les menteurs imbus d'arrogance et profiteurs. Tout ce qui représente Bastien Pargne en fait.

Cet enfoiré lui a fait croire, le temps de s'envoyer en l'air avec elle, qu'il était étudiant. Sauf, qu'en vérité, il est un de ses patrons. Pire encore : son maître de stage personnel au sein du ranch !

Un peu trop curieux, il découvre une face cachée de la jeune femme à laquelle il ne s'attendait pas. De plus, un fantôme du passé revient dans la vie de Fred, au même titre que celui qui semble avoir la main mise sur le domaine Fenterêt.
