The Love Story of JFK Jr. and Christina Haag • *New York Times* bestseller

When Christina Haag was growing up on Manhattan's Upper East Side, John F. Kennedy, Jr., was just one of the boys in her circle of prep school friends, a skinny kid who lived with his mother and sister on Fifth Avenue and who happened to have a Secret Service detail following him discreetly at all times. A decade later, after they had both graduated from Brown University, Christina and John were cast in an off-Broadway play together. It was then that John confessed his long-standing crush on her, and they embarked on a five-year love affair. Glamorous and often in the public eye, but also passionate and deeply intimate, their relationship was transformative for both of them. Exquisitely written, *Come to the Edge* is an elegy to first love, a lost New York, and a young man with an enormous capacity for tenderness, and an adventurous spirit, who led his life with surprising and abundant grace.
