Community Music Therapy

Itinerari, principi e pratiche per un'altra musicoterapia

Presentazione di Brynjulf Stige

Il volume vuole introdurre anche in Italia una concezione più ampia di "pratica musicoterapica", in cui gli aspetti culturali, sociali e politici del territorio acquistano una posizione centrale ed essenziale. Un testo dedicato a chi si sta formando in musicoterapia, a chi si occupa di didattica del pensiero musicoterapico e a tutte le figure vicine all'operatore di musicoterapia: l'educatore musicale, l'animatore musicale, il musicista di comunità, l'insegnante di sostegno, lo psicologo, l'assistente sociale.
