In this expanded paperback edition, Neale Donald Walsch and God resume their discussion and move on to larger topics than the personal issues addressed in *Conversations with God Book 1*. They discuss time, space, politics, and even kinky sex. This is an honest look at some of the broad issues important to all of us, and an idea about how things might change if we are willing to open our minds and have our own conversations with divinity.

This edition includes the 2008 new preface from Walsch and new commentary on each section.
