The Dive Atlas of the World offers a global tour of dive sites, described and photographed by experts. From well-known classics to sites that have only recently been discovered, this global selection offers the discerning diver a feast of locations to choose from, including an expanded selection of Caribbean dive sites. Whether you favour muck diving and macro photography, wrecks, walls, reefs, caves, blue holes or the adrenaline rush of high-speed drift dive in a strong current (or all of these), you will find well-written, clearly mapped accounts of the top places where you can enjoy these dives. This book features contributions from local experts, leading writers and award-winning photographers such as Jack Jackson and Lawson Wood.
