Description

The number of world class macro destinations can be counted on one hand and Romblon is undoubtedly one of them. This Paradise Island is situated in Central Philippines between Verde Island Passage and the Visayas. It continues to impress divers and underwater photographers with new findings including extremely rare creatures.

Dive into Romblon represents another book in an iBook series of the best scuba diving destinations worldwide. This attractive book represents a collaboration between a world-traveling underwater

photographer and one of Romblon's diving professionals. This new approach to diving destination guides seeks to inform, entertain and inspire while remaining carbon neutral.

Features of this book include:

- Approximately 70 high-quality underwater photographs, 2 maps
- Engaging format with easy access to full screen images
- Highlights of the destination's dramatic underwater landscapes
- Selection of nudibranchs, egg cowries, fish, crustacean species
- An orientation to Romblon itself, including travel logistics, seasons and trip planning tips.
