Petite fille de l'ex-favorite du sultan d'Istanbul, Kim Nelson s'aventure en Afrique à la recherche de la perle noire qui lui ouvrira le secret du trésor enfoui par son aïeule. Cette perle pend à l'oreille droite d'une idole maléfique plantée au coeur d'une région inhospitalière et seule la descendante de la déesse représentée peut se risquer à l'enlever sans craindre la mort... Deuxième partie du second cycle prévu en quatre tomes.
