EAT OUT! RESTAURANT DESIGN AND FOOD EXPERIENCES

gestalten

Eat Out! features international locations, concepts, and designers that deal with the world of food in a timely and surprising way. On the one hand, the book sheds light on current trends and future developments in restaurant design. It presents an extensive selection of locations with a design spectrum varying from glamorous to minimalist, from romantic to high-tech. On the other hand, *Eat Out!* examines in detail the different concepts that this variety of restaurants uses to create unique dining experiences. It also documents unconventional events and installations in which shared food experiences are created by eating together in extraordinary places or by unusual serving methods.
