ELIZABETH GILBERT

To travel is worth any cost or sacrifice. I am loyal and constant in my love for travel, as I have not always been loyal and constant in my other loves.

Newly divorced journalist Elizabeth Gilbert is struggling to carve out an authentic identity in New York. Desperate to reinvigorate her life and connect with the world around her, she embarks on a modern-day pilgrimage.

With warmth and humour, Gilbert chronicles a journey from Italy to India and, finally, to Bali. Each country serves as a vivid backdrop for self-exploration as she comes to terms with the choices that have hitherto defined her life, and begins to rediscover herself.
