Glass artist Savannah Smith expected a marriage proposal for Thanksgiving—just not from her strong, silent, super-hot neighbor. But when misplaced mail and a wayward can of paint lands them in a compromising position right as her family arrives for dinner, they assume he’s “The One” she’s been talking about.

Then his family shows up.

Fate dealt a crippling blow to paramedic Beau Montgomery’s heart, and he isn’t about to put it at risk again. Except, with his mother crying tears of joy over his surprise engagement to the sexy little blonde next door, he can’t bring himself to ruin her “Christmas miracle.”

Somewhere between the paint can to the head and the chaotic family trip to the ER, Beau manages to talk Savannah into being his fake fiancée long enough to survive the holidays.

If, of course, they don’t fall in love first...

He needs the kind of rescue only she can provide...

Each book in the Love Emergency series is a standalone story that can be enjoyed out of order.
