*O que o Espiritismo e a Ecologia têm em comum? O leitor se surpreenderá com as muitas afinidades existentes entre essas duas áreas do conhecimento que surgiram na mesma região do planeta há aproximadamente 150 anos, e que hoje despertam interesse e curiosidade crescentes. Espíritas e ecologistas utilizam a visão sistêmica para defender a biodiversidade, o uso sustentável dos recursos naturais, o consumo consciente, a primazia dos projetos coletivos em detrimento do individualismo. São tantas as afinidades, que certas obras espíritas poderiam perfeitamente embasar alguns postulados ecológicos.*
