Essential Blues Bass Grooves, within the School of the Blues-Lesson Series, presents 46 bass patterns essential to the gigging Blues bass player. Material is presented in standard music notation and TAB. This book includes access to online audio of all examples (played by author Frank De Rose) along with the background music. This method is for all skill level players.

This series is designed for students of other instruments to play together. If you have friends that play harmonica, guitar, keyboard or drums, tell them about this series so that you can play together.
