Many people don't know how to reconcile the spiritual with the reality of where they are psychologically, so their psychological issues are not submitted to the spirit. Thus, followers of Christ are often living with shame, oppression, or even hatred. It should not be this way. The good news is that there is a way to wholeness. Evangelizing the Depths calls us to listen closely to the Word of God as, very practically, Simone Pacot explains how the grace of the Triune God can restore us to life in every facet of our being, even those that have been deeply wounded by events of the past. As the entwining of the spiritual and psychological levels is explored, this book will help establish us in the love and the truth of God. As this happens, it becomes possible to identify the paths of death that we have taken in the past and then leave them behind as we choose to follow Christ along the way of true life.
