In *The Winter King* and *Enemy of God* Bernard Cornwell demonstrated his astonishing ability to make the oft-told legend of King Arthur fresh and new for our time. Now, in this riveting final volume of *The Warlord Chronicles*, Cornwell tells the unforgettable tale of Arthur's final struggles against the Saxons and his last attempts to triumph over a ruined marriage and ravaged dreams.

This is the tale not only of a broken love remade, but also of forces both earthly and unearthly that threaten everything Arthur stands for. Peopled by princesses and bards, by warriors and magicians, *Excalibur* is the story of love, war, loyalty, and betrayal—the work of a magnificent storyteller at the height of his powers.
