'Tender, heartbreaking and magical . . . I went from feeling warm and fuzzy to shock, delight before, finally, well - you'll just have to read it!'

GIOVANNA FLETCHER

What if you met the *right* person at the *wrong* time?

Nell and Van meet as children when their parents fall in love, but soon they are forced worlds apart.

Five years later, they find each other. Their bond is rekindled and new feelings take hold, but once again they must separate.

For the next two decades, fate brings Nell and Van together every five years, as life and circumstance continue to divide them. Will they ever find true happiness? And will it be together?

'One day, maybe five years from now, you'll look back and understand why this happened...'
