The book everyone is talking about: how the French manage to raise well-behaved children, and have a life!

Who hasn't noticed how well-behaved French children are, compared to our own?

- How come French babies sleep through the night?
 - Why do French children happily eat what is put in front of them?
 - How can French mothers chat to their friends while their children play quietly?
 - Why are French mothers more likely to be seen in skinny jeans than tracksuit bottoms?
-

'Fascinating...gripping...extremely funny...I loved it. It made me want to move to Paris' - **India Knight, Sunday Times**

'I couldn't put it down' **Chris Evans**
