Feminine Empowerment

Path of the Goddess: At the dawn of religion, God was a Woman. The Divine Feminine is known by innumerable names and symbol-rich manifestations across the world's cultures. Throughout the ages the Goddess has been honored and worshiped as the Virgin Mary, Isis, Inanna, Asherah, Diana, Kuan Yin, Kali, Oshun, Athena, Pele, Sarasvati, Demeter, and White Buffalo Calf Woman, to mention just a few. Many conceptions of the Goddess are mysterious and seemingly paradoxical. Yet at its source, the Divine Feminine is one. *I Am (With) Her* takes you on a fascinating and, at times, surprising journey into the enduring essence of the Divine Feminine.

Inside this book you will learn:

- How the Goddess path offers an empowering message and inspiration
- The importance of re-establishing a healthy balance and integration of both the "masculine" and the "feminine" archetypes
- That the notion of God as archetypal "Sky-Father" is fairly recent in Western culture
- Why the wisdom of the Goddess/Sacred Feminine has been ignored, distorted, and oppressed for centuries
- How archetypes, mythic narratives, and qualities of Goddesses are alive within you and how they reveal intimate truths about yourself and others
- How Goddesses can serve as empowering guides in your personal and professional life
- Why especially black Goddesses/dark-skinned Mothers (e.g., Kali or Black Madonna) are a powerful symbol and catalyst for change in our times, both individually and collectively
- And much, much more!
