From that first date - and how it's all downhill from there

We all know about the jungle of 'dating'. But once you've found your 'special' friend you'll have to pretend you like their taste in music, be nice to their mother and pick up their socks, and that's only year one.

By the time you get into grumpy old middle-aged land, you're firmly on farting terms and over-familiarity has bedded in. The only thing to do with the whole business is to laugh over it, which is the idea of this book.
