Lequel des deux rendra les armes en premier ?
Angela Alessi réalise enfin son rêve de petite fille en ouvrant sa pâtisserie à Centori. Elle souhaite oublier son passé et ne plus jamais se laisser dicter son comportement.
Adriano Alario, chef de la mafia locale, ne voit pas les choses sous cet angle, et compte bien la faire s'acquitter, comme tous les commerçants, de la taxe due à sa famille pour s'être installée sur son territoire.
Il éprouve cependant des difficultés à rester insensible à l'aplomb et à la force de caractère de sa nouvelle adversaire, laquelle a bien du mal à résister à son charme.
Entre les secrets d'Angela, les règles du milieu, les trahisons et les préjugés, comment trouver une place pour les sentiments ?
