It is time to get your money working for you. HOW TO OWN THE WORLD explains why you can, and must, learn about investment, and highlights the significant advantages you have over many finance professionals. This is both a personal finance book and a personal development book; by safeguarding your future wealth you are safeguarding your long-term health and happiness.

Successful investment can turn hundreds into millions over time thanks to the power of compound interest, something Einstein described as "The Eighth Wonder of the World".

There has never been a greater need for you to take charge of your financial affairs. Fortunately the tools available have never been more powerful or inexpensive. HOW TO OWN THE WORLD explains why this is, and what you can do to make the most of your money.
