Based on former FBI Special Agent Joe Navarro's experience as a criminal profiler and behavior specialist, this short booklet/checklist - "How To Spot A Psychopath" - provides the average person with the tools necessary for spotting and assessing psychopaths. This is a must read for anyone who wants to protect themselves, their children, or their loved ones. This short booklet/checklist offers practical guidance and a checklist of the 150 behaviors that are closely associated with psychopathy. It is easy to use, intended for the average layperson. You don't have to be a psychiatrist to use this. This will not only give you insight, it will also lay to rest any fears or concerns you have about psychopaths, so that you can do something about it. Practical, fast, easy to read and understand.

This is a NEWLY revised edition featuring more detailed introductory material on psychopaths and an extended

checklist of now 150 features!
