

Télécharger Livres Gratuit Hypercapitalisme (PDF | ePub | Mobi) Larry Gonick & Tim Kasser download-free

Manuel d'économie critique (et optimiste !) à l'attention de tous ceux et celles qui veulent comprendre et agir dans le monde d'aujourd'hui. Hypercapitalisme explique comment l'économie moderne, en portant aux nues la loi du marché, en privatisant à tout crin, menace le développement de l'humanité, la justice sociale et la planète tout entière. Avec humour, Larry Gonick, cartoonist renommé, et Tim Kasser, professeur de psychologie, montrent aussi comment remettre la notion de bien-être au coeur de nos échanges.
