“Ask me to your bed,” he said. “I shall come to ye.”

In this revealing compendium, acclaimed writer Diana Gabaldon shares her invaluable lessons for creating an immersive reading experience, from evoking a mood to using the power of emotions to communicate physical intimacy. You’ll learn the difference between gratuitous sex and genuine encounters that move the story forward, and how to handle less-than-savory acts that nevertheless serve a narrative purpose.

Gabaldon also notes that sex can be conveyed instead of described. With such tips as “The Rule of Three” for involving the senses, handy lists of naughty euphemisms (with instructions for use), and Gabaldon’s own examples from the *Outlander* novels, *“I Give You My Body . . .”* is a master class

in writing to draw readers in and keep them riveted to the page.
