S *Notting Hill* meets *The Prince & Me* in *Icing on the Cake*, the second standalone laugh-out-loud romance in Ann Marie Walker's Wild Wedding series

“Witty banter and off-the-charts chemistry make Ann Marie Walker a must read. Gimme more!” —*New York Times* bestselling author Julie Ann Walker

Cassandra Miller doesn't have time for men. She's far too busy trying to open a cupcake shop with her silent partner and best friend, not to mention catering her brother's wedding. And let's face it, it's not like Prince Charming is going to stroll into the bakery and sweep her off her feet.

Henry has been a prince his entire life but for one wild wedding he wants to be nothing more than an “Average Joe”, or in this instance, “Average Hank”. However, when a case of mistaken identity and a batch of burned cupcakes ends in a night of passion, Cassie and Hank must decide if theirs is a

recipe for disaster or the makings of true romance.
