*No amount of training could've prepared him for her.*

Former Army Ranger Stone Mitchum doesn't have time for relationships, let alone a one-night stand. He's too busy running a ranch that helps transition veterans back into society. But when his curvy new tenant falls into his arms, his libido snaps to attention.

Jovy Larson has four weeks to prove she's worthy of taking over the family business. She's up for whatever ridiculous task they throw at her, but selling vegan food to a bunch of cowboys in cattle country, Texas? Not half as tough as fighting her attraction to her sexy, surly landlord.

Good thing she's stubborn. Then again, so is he...
