En lutte avec les éléments, battue par les vents et la pluie, l'île s'est imposée, fière et sure d'elle. Ses contrées sauvages et verdoyantes balayées par le vent, ses falaises spectaculaires, sa mer, ses montagnes, ses lacs, entre autres les célèbrissimes lacs du Connemara à la beauté saisissante. L'île rebelle est le cadre idéal pour des randonnées à vélo, à pied, romantiques ou familiales. Sites préhistoriques, ruines celtiques, abbayes médiévales et châteaux forts, l'Irlande conserve les éléments de son histoire millénaire. Chaleur et accueil sont les maîtres mots de cette île enivrante.
