Gwyneth's fans have been begging her to write a cookbook that will help them get healthy, yet wonderfully delicious meals on the table during hectic weeknights. Well, she listened and she is sharing over 125 recipes that can be made in under 30 minutes that are surprisingly tasty even though they have little or no sugar, are low in fat, and many with no gluten.

They will be of the same quality as those in *It's All Good*, but can be pulled together in the time it would take to call for a takeaway. And because every family needs some pasta or pizza now and then, Gwyneth will include recipes for easy takes on those favorites too! Everyone knows that takeaway and restaurant meals can contain large amounts of fat and sugar, and can be made with less than 'clean' ingredients, so

here is the solution to making sure you and your family eat a healthy, yet delicious meal every night of the week. And, since it is so much healthier and economical to bring lunch to work and school, there will be a special section on 'Lunchbox ideas' made from dinner leftovers and easy-to-throw-together lunches!
