

Télécharger Livres Gratuit Jazz Guitar Comping (PDF | ePub | Mobi) Andrew Green download-free

For most of the recorded history of jazz, the piano has been the main, and usually the only, comping instrument. This text will help guitarists get a handle on the most important job they have when playing in a small group: comping. This book can be used as a progressive study of comping or simply a source of ideas. Although rhythms and voice leading are found throughout the book, they are isolated for study in particular sections. The book and accompanying audio cover voice leading, multi-use voicings, voicing variations, passing chords, harmonized scales, intervallic comping, rhythm and studies (blues, standard, modern and modal). Includes access to online audio.
