

Télécharger Livres Gratuit Jazz Saxophone Improvisation (PDF | ePub | Mobi) Eric Alexander download-free

This ebook describes a direct, relatively simple, and easily implemented technique that can be used by most players to develop new melodic vocabulary. Using just one six note scale that I describe in this book, you can generate a wealth of ideas that work over a multitude of harmonic settings. I use this technique all the time. It's flexible yet sophisticated and is an integral part of my improvisational arsenal.
