Ces dix-neuf textes sont écrits du fond d'une geôle. Poignants et remarquablement maîtrisés, ces aller-retours entre réflexions et sensations expriment le quotidien morne du prisonnier, écartelé entre le bilan de sa vie et de ses actions, et le vide glacial d'un avenir absent. Mais petit à petit le courage lui revient, et malgré des conditions désespérantes il se remet à écrire.

Un livre de résistance exemplaire.
